

School Supply List 5th Grade 2017-2018

We appreciate any school supplies that your family is able to provide. You do not need to purchase any school supplies. All of the supplies will be shared with all students. You do not need to write your child's name on anything. It is always appreciated if you are able to provide more than your student will use of these items. It is okay if you bring only some of these items. You can bring the supplies to your **Back-to-School time** or your student can bring them on the **first day of school**. We are always accepting school supply donations in the office throughout the school year. Thank you so much for your help.
