Accessories:

- All clothing must be free from distraction
 - No jewelry or accessories that detract from learning
 - No toys allowed at school, please leave those at home
 - Prefer backpacks without lights

Special Dress Days

- On special dress days, students must bring a uniform with them in their backpack. If they lose the privilege of special dress, they will change into their uniform.

Students without snow pants and winter clothing may have limited outdoor recess choices. All students will go outside with the class everyday there is outdoor recess.

Students who are not in uniform will be sent to the office to change into a borrowed uniform or go home if they refuse to comply with school rules. If the administration believes a student's appearance, grooming, or mode of dress interferes with or disrupts the educational process or school activities or poses a threat to the health or safety of the student or others, the student will be directed to make modifications or will be sent home for the day. A parent or guardian will be notified.

If you have questions about the uniform policy, please contact the school office.
