Compensation:

A competitive salary and full benefits will be offered. Starting salary for 2023-2024 was \$42,664 for candidates with a bachelor's degree and \$47,998 for candidates with a master's degree. A full salary schedule is available upon request.

About Our School:

Northeast College Prep (NECP) is a diverse, Kindergarten – 8th-grade public charter school with approximately 380 students. Our mission is to ensure strong academic, social-emotional, and talent development in every member of our diverse student body, thereby positioning each student for college graduation, career success, and positive community impact.

Founded as a diverse school committed to both strong academics and social-emotional learning, our curious students learn about themselves and the world around them. All students take Art, Spanish, Arabic, and Physical Education. Social-emotional learning lessons are explicitly taught and woven throughout the day and we partner with community organizations to develop each students' unique talents.

NECP exists to ensure that all children have access to an education that will help them to maximize their options in life, thereby contributing to a more just society. Our students and their families speak 14 different primary languages. About 50% qualify for English Language Learning services and about 90% qualify for free or reduced lunch.

Northeast College Prep is a positive school environment for students, staff and families. We intentionally create a positive adult and student culture. We believe in restorative practices and teaching intrinsic motivation (i.e. we don't use extrinsic motivation like candy or public behavior charts) so that students do the right thing even if no one is watching – also known as using the Responsive Classroom approach.

Application Process: To apply, please fill out our online application located at www.bit.ly/NECPApplication. If applicable, college transcripts may be requested later in the hiring process. Applications will be reviewed on an ongoing basis until the position is filled.
